1. This office action is in response to the amendment filed on 3/31/2005.
2. Claims 1-18 are allowed.
3. Claims 19-21 are canceled.

Drawings

4. New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the drawings are informal. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Reasons for Allowance

5. The following is an examiner's statement of reasons for allowance: the cited prior arts taken alone or in combination fail to disclose, in combination with other claimed limitations, developing object oriented extensions, wherein an existing application of the non-object oriented computer environment remains executable and wherein the new object oriented computer environment accesses information of the non-object oriented computer environment; and, preparing the new object oriented computer environment, wherein the new object oriented computer environment includes requirements, grammar, syntax and object oriented extensions as recited in independent claim 1 and as noted by the applicant on pp. 11-12 of the remark filed on 9/20/2004.

Art Unit: 2191

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
